

**VIC KIDS
EAT WELL**

ALL KIDS DESERVE A HEALTHY START WHERE THEY LEARN, LIVE AND PLAY

We're **boosting**
delicious and
nutritious food
and drink options
in places where
children and young
people spend time.

JOIN THE MOVEMENT!

Vic Kids Eat Well offers organisations four simple healthy food and drink actions. Organisations can self-select the changes that are right for them. Some might skip the deep fryer and others might refresh the fridge and say goodbye to sugary drinks for good!

Join as a single organisation or create a local network to work through the healthy eating actions together.

CALLING ALL:

- Primary and secondary schools
- Outside school hours care providers
- Council and community-owned facilities
- Sport and recreation facilities
- Sports clubs

ORGANISATIONS CAN CHOOSE TO:

Refresh the fridge

Give sugary drinks the boot and let water take the spotlight.

Switch up the snacks

Ditch the sweets so delicious healthy snacks give kids the fuel they need.

Change up the menu

Give fruit and veggies a chance to shine.

Put the 'fun' into fundraising & marketing

Add health appeal to meal deals and fundraising activities.

The four actions above are 'big bites'. Each is broken down into achievable 'small bites'.

Vic Kids Eat Well is supported by the Victorian Government and is delivered by Cancer Council Victoria's Achievement Program, in partnership with National Nutrition Foundation's Healthy Eating Advisory Service.

LET'S FUEL FUN!

Healthy food and drink changes can have a lifelong impact on kids' health. Whether you represent a school, the local pool or a footy club, Vic Kids Eat Well is helping community organisations take simple steps that make a big impact.
